INSTYTUT TECHNOLOGII DREWNA - POZNAŃ
CERTIFICATION CENTRE OF WOOD INDUSTRY PRODUCTS

CERTIFICATE № 0408/2014 – TPC-19

Under executive order of California Air Resources Board* no W-12-019 issued on the base of regulations contained in section § 93120 Title 17 California Code of Regulations

Instytut Technologii Drewna

ul. Winiarska 1 60-654 Poznań

and Company

Kronospan Mielec Sp. z o.o.

ul. Wojska Polskiego 3, 39-300 Mielec

entered into Contract no 51/CCWPD/2009 for continuous supervision of the production of wood-based panels in the scope of formaldehyde emission.

Institute carried out independent external control encompassing operation of the Company's quality control system, operation of the Company's laboratory for product quality control, and correctness of tests for formaldehyde emission from/content in the produced wood-based panels conducted within the scope of internal control of the factory production.

Based on the obtained results (Test report № 51 /FC/2014 - 3) Institute states that the product under supervision, i.e.

Particleboard (PB), unfaced

compliant with PN-EN 312 standard, type P2 thickness 12 mm to 32 mm

glued with amine-formaldehyde glue

fulfills the requirements of CARB in the scope of formaldehyde emission envisaged for **Phase 2** set forth in document § 93120.2 (Table 1) provided that the provisions of the effective Contract № 51/CCWPD/2009 are observed.

This Certificate replaces the Certificate № 134/2009-TPC-19 and is valid throughout the whole period of continuous supervision conducted by Instytut Technologii Drewna in the mode of quarterly external controls at the Company.

Rights and obligations of the Certificate owner are defined in Contract № 51/CCWPD/2009 of 31.08.09

Head of CCWPD

MSc. (Eng.) Zygmunt Stawicki

Director of the Institute

Asst. Prof. Władysław Strykowski, PhD

Poznań, on this 26th day of August 2014
